

BERINE-FX

Contains a Wide Range of Benefits

Berine-FX is a formula that delivers 600 mg of berberine in each capsule. It's designed for use in a variety of applications and can be taken alone or combined with other products from Cyrene Labs for targeted metabolic outcomes. Berberine is a naturally occurring plant alkaloid with a long and rich history of use in traditional settings.

Benefits of Berine-FX

- Unique and Cost-Effective
- Vegetarian, Gluten-Free, and Dairy Free
- Supports a Healthy Digestive Environment

CYRENE LABS
REVEAL YOUR POTENTIAL

B E R I N E - F X

- Snapshot:**
- Helps to clear glucose (sugar) from the blood.
 - Supports energy production and lipid metabolism
 - Promotes healthy GI microbiome and short-chain fatty acid production
 - Provides for a healthy intestinal and mucosal immune system.

At Cyrene Labs we consistently bring the latest understanding of research to our product formulations. In this particular formulation we have ensured absorption by adding liposomal technology typically not used for this nutrient. After years of clinical experience improving blood chemistry we bring you what has been shown to make a difference.
