Inflam-FX is highly absorbable capsules to be taken together with food. We were guided by the latest research which suggests the combination in our formulated capsules would have a synergistic effect on the inflammatory cascade. Inflam-FX targets the many sources of both oxidation and inflammation at their origin. Stop inflammation where it begins, at the level of the cells that produce it.

Benefits of Inflam-FX

- Increases Range of Motion & Physical Function
- Reduces Joint Stiffness and Discomfort
- Provides Potent Antioxidants
