REVEAL YOUR POTENTIAL

INTEGRAL-D

Snapshot:

The demands of the modern world requires an increased understanding of metabolic health, in particular the immune system. Vitamin D has taken center stage in this effort to support the immune system to ensure “the strength of the host”. Cyrene Labs made it a priority to upgrade its products to meet the flood of research made available.

Integral D is formulated with Vitamin K as MK7 than most leading products at 100 mcg ensuring optimal absorption by bone, for reducing arterial stiffness so blood delivery to delicate brain structures is optimized for the long term needs of the brain. BioPerine is added for maximum absorption.
