Omega3-FX comes from the 'Pelagic Zone' which refers to the open sea where small short lived fish species, Anchovy, swim away from the shore and away from the surface. Omega3-FX nutritionally supports heart health, Immune health, muscle and joint health as well as provides your nervous system with the essential fatty acids EPA & DHA.

Benefits of Omega3-FX

- Freshest Available in America
- Controlled Manufacturing
- 1200 mg of fish oil and nearly 1 gram of EPA/DHA per capsule
- Reduces Insulin Resistance

CYRENE LABS
REVEAL YOUR POTENTIAL

OMEGA 3 - FX

Snapshot:

- Omega-3 fats may help support healthy blood lipids
- Omega 3 fatty acids provides a powerful source of antioxidants
- Omega 3 fatty acids play an extensive role in immune regulation and blood sugar control.

Why Omega 3 from fish and not plants?

The potential health benefits of consuming omega-3s are the focus of a great deal of scientific research. By far, the majority of research has focused on EPA and DHA from foods (e.g., fish) and/or dietary supplements (e.g., fish oil) as opposed to ALA from plant-based foods.
